From the President: Robbie Reed

First off I want to wish everyone a Merry Christmas!!!

Here we are at the end of the year already and it's time to look for nominations for the Board of Directors. This year we will have 6 vacancies to fill however, as outlined in our Constitution we can only elect 5 positions. That will leave 1 position to be filled by appointment by the Board of Directors during the upcoming board meeting held in the summer. If you have considered running for the board, now is the time to submit a nomination letter. Or, if you know someone who you feel would be a great board member approach them and encourage them to run. The important thing to remember is that the best people for the board are those who truly want the best for the association, not someone with a personal agenda. Please submit nominations to Stephanie Pitz ASAP so all nominations can be listed in the January Newsletter, before election ballots go out.

Watch in upcoming Newsletters for updates on this season's Championships as well! I hope everyone is having a great season.

Once again, Merry Christmas to all!!!

Best Regards,
Robbie Reed
President

Coming together is a beginning. Keeping together is a progress..
Working together is a success..

WANTED:

The IWPA board elections are quickly approaching and we have five seats available this year to fill. Currently only regions 2,6, and 9 are represented. If you would like to be a representative for your region this is the time to do it. If interested in being nominated for the board, please send me your letter of intent. If you have questions on what should be in this letter contact me and I can give you some example of ones I have gotten in the past. If you have questions on what the board does, or what some of the duties are you can contact any of the current board members. I will leave open the window to get your letters of intent to me until December 15, 2009. Your letter would then appear in the January newsletter, and the ballots will be shipped out by January 5, 2010. The board only meets once a year in the spring, everything else is done by e-mail.

Thank you,

Stephanie Pitz
Elections Chairperson

BOARD CANDIDATES:

Ken Blackburn

IWPA Board and Membership,

Please consider my name for consideration to the IWPA Board. I have been involved with the Sport of Weight Pulling since 2002. At that time the IWPA was the largest and most popular association to pull with. In the years to follow I have pulled and been involved with several weight pull associations. I have seen mistakes made, and I have seen, and been involved with successful programs.

I believe this is experience which can benefit the IWPA program.

I believe that this sport is, and should be enjoyable for the whole family. It is a demonstration of extraordinary bond between dog and handler, it demonstrates determination and dedication, and it showcases physical achievement, training and conditioning. It's a gathering of people who love their dogs and what they are able to do.

Cheryl Martin

My name is Cheryl Martin and I have been a member of the IWPA for the last ten years. I am currently serving the last year of my first term on the board, and I am your IWPA treasurer. I feel I am a good candidate for the board of directors because I believe in the integrity of this organization. I would like to see us continue to succeed for another 25 years, as we have for the last 25 years. I have seen other weight pulling organizations and feel that the IWPA is not only a great organization for families, but that it promotes the safety and welfare of the animals which we pull. Thank you for the opportunity to serve you in this capacity.

Bob Sencenbaugh

IWPA Board,

With this letter I would like to submit my name for the IWPA Board of Directors. I have been a member since the late 80s. I am currently serving a one year term on the board having been elected to the board at the annual meeting. I would like to continue to serve the IWPA. I believe that I can help the IWPA continue to grow and be the premier weight pull organization for the next 25 years.

I have a varied background in dogs, including sledding, weigh pulls, herding, and shows. I have always tried to bring enthusiasm and honesty to all and will continue to do this if elected to the board.

Thank you for the opportunity to serve the IWPA.

George Ferrari

Hello, my name is George Ferrari and I would like to run for a Board position with the IWPA. I am currently sitting in the Judge's chair for this year. I have been pulling for at least 10 years and am very dedicated to the sport and this group. I have helped to organize pulls, help at other's pulls, Judged for the Championships on wheels and snow, and even helped to put on the Championships with my wife.

I would really appreciate your vote of confidence that I can and will do my best for this organization.

Thank you.

Poisonous Plants

We all like making our homes more festive for the holidays. We enjoy the green foliage and colorful flowers of plants. Unfortunately, many of the plants we have in our homes during the holidays can be poisonous to pets. If ingested, holly (leaves and berries) causes stomach upset and can be potentially fatal to both dogs and cats. Mistletoe upsets stomachs and can cause heart collapse, while hibiscus may cause diarrhea. Poinsettias have an irritating sap that can cause blistering in the mouth and stomach upset. So when you brighten up your home, place these plants well out of your dog's reach, or use imitation holiday plants.

Decorations and Wrappings

All that glitters is not gold – it could be dangerous for your pet.

Ribbons, yarn, and string can cause intestinal obstruction and bunching of the intestine along the length of the string. These conditions require surgery and can be fatal. Ribbons around your dog's neck may be cute, but they can also be dangerous.

Adhesives and glues can be toxic and are often attractive to animals.

Potpourri contains oils that can be toxic to dogs if eaten. We may not think of eating it, but some curious pets may.

Candles can cause burns and fires. Never leave lighted candles unattended or within reach of your pet.

Few things are more tempting to a playful dog than a game of tug. This is not a good game, however, to play with the end of a tablecloth. Try to keep items such as tablecloths, table runners, etc., from hanging too low to the floor, and tempting happy dogs running by to grab an end and pull!

Merry Christmas

Note: Renewing Judges **must sign and return this form** (with the proper fee) stating that you have read and understand the following changes in the IWPA Standing rules and Rule booklet that have been placed in effect at the board meeting on May 30th and 31st, 2009. This also includes the **Judges Code of Conduct** that was adopted by the board in 2002.

International Weight Pull Association Judge Code of Conduct (Ethics and Authority)

1. You must both possess and project an unwavering air of integrity and ethical behavior that protects the reputation of IWPA pull events as fair and well-judged. With common sense, judges can easily avoid situations, which might raise ethical questions. A judge should avoid impropriety and the appearance of impropriety in all activities.

2. Judges are presumed to be honest, competent and dedicated. Nevertheless, it is all too easy to find yourself in uncomfortable or even inappropriate situations. Guidelines cannot cover every situation, but they can help you avoid improprieties or perceived

improprieties. A judge should perform the duties impartially and diligently. ("A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned, including but not limited to instances in which the judge has a personal bias or prejudice concerning a party...")

3. You Are in Charge: As the Chief Judge, you have full authority over all persons in the event. With this authority comes the responsibility to be thoughtful and considerate. Be as systematic in your procedure from dog to dog and weight class to weight class as conditions permit.

4. You should avoid theatrical movements or making inappropriate comments to competitors. Be polite, but generally limit your conversation with competitors to instructions that are in accordance with the IWPA rules.

5. The Judge may use whatever reasonable procedures he/she deems necessary to evaluate each dog's performance in an effective and efficient manner. The same procedures will be used to Judge each dog in a class. By entering any weight pull, the owner and handler of any dog agree to accept the decision of the Judge as final. The decision of a Judge is the responsibility of the Judge and not that of the IWPA.

6. IWPA events are intended to be family-oriented recreation for dog lovers and their dogs. Accordingly, IWPA expects the highest standard of conduct at all events.

Rule Changes for 2009-2010

Section 5 C #14, Add ~ "Throwing of items while the dog is in the pulling shut is considered a disqualification"

Will read; "14. Whips, noisemakers, muzzles, pinch collars or related aids shall not be permitted at any time during an *IWPA* event. Throwing of items while the dog is in pulling shut is considered baiting. No food, treats or bait/baiting shall be used from the time the dogs class begins until the dog is eliminated from competition and removed from the pull area. Handlers shall not have food or bait on their person during the competition."

INTERNATIONAL WEIGHT PULL ASSOCIATION WEIGHT PULL STANDING RULES ON SANCTIONING

In order for your pull to be sanctioned and to count for points.

Any organization who wishes to put on a pull approved by the I.W.P.A. shall require the organizer or any of the officials to have an I.W.P.A. membership and use I.W.P.A. weight pull rules which include having an I.W.P.A. certified and approved judge.

A sanctioning application must be filled out by the organizer and delivered into the hands of the I.W.P.A. sanctioning director no later than the 15th of the month preceding the month in which the event is to take place, provided the event is scheduled between the 15th through the end of any given month. Pulls scheduled from the 1st through the 14th of any month must be received no later than the 15th of the month two months prior to the weight pull event. For example, an event scheduled for December 7th must be received no later than October 15th, an event scheduled for December 28th must be received no later than November 15th. **No exceptions to this rule will be made!!** It is the organizer's responsibility to ascertain if this application has been received by the Sanctioning Director.

Newsletter pull calendar information is taken from the sanctioning application; therefore, ALL questions must be answered. It may be considered false advertising for any organizer to falsify or fail to follow the information provided on the sanctioning request. False advertising will be grounds for placing the organizer on probationary sanctioning status.

The following list of information from your weight pull must be sent to the **Sanctioning Director** with a postmark no later than 5 days after the last day of your pull:

1. Weight Pull finish report
2. Organizer's report
3. Financial report with ALL monies due the IWPA for the \$5.00 per dog fee. For pulls held in Canada \$5.00 are payable in U.S. funds only. (Motion6/07)
4. All regular and provisional membership monies received at your pull with completed membership forms must be sent to the **Membership Director** with a postmark no later than **5 days** after the last day of your pull. New members are to be given the membership receipt included in your packet as proof of membership until their card is sent to them.
5. Send **Judge's Reports** to the **Judge Chairperson**
(The penalty for failure to meet the 5 day postmark requirement will result in a fine of not less than \$20.00 and \$5.00 per day for each day after 6 days that the pull results are not postmarked. Failure to pay a fine may result in loss of sanctioning and/or points). **Exception—Organizers of pulls held the last two weeks of the season are required to submit finish reports to the sanctioning director and FAX or OVERNIGHT their finish report, finance report, and organizer report to the statistician within one working day. (motion 5/98)**

Any grievances by an organizer or judge should be in writing, postmarked no later than 72 hours after the end of the weight pull event, and sent to the Sanctioning Director who will present the written grievance(s) to the I.W.P.A. Board of Directors **within two weeks of the receipt of the grievance**, for deliberation.

Sanctioning applications that do not include the sanctioning fees will not be accepted. Exception-When faxing application a copy of the check/money order for sanctioning fees must be faxed with the application. The original application and check/money order for sanctioning fees must be postmarked within one working day of the fax. The original application and payment for sanctioning fees must be received by the sanctioning director no less than one week prior to the event or the sanctioning may be canceled.

Organizers of events which have had sanctioning suspended after the pull will be required to mail a reimbursement to all entrants of the \$5.00 per dog fee. This reimbursement must be mailed within 72 hours of the receipt of written notice by the Sanctioning Director of suspended sanctioning. (Failure to reimburse funds when sanctioning has been suspended may mean loss of future sanctioning of event by the organizer)

The Board of Directors may not make a decision on sanctioning a pull but will make a decision regarding any grievance filed in regard to sanctioning.

If the Sanctioning on a pull is refused or the sanctioning is withdrawn from a pull, the sanctioning director will notify the organizer in writing within 2 days. A phone call or fax is a courtesy but the "in writing" is a requirement.

Cancellations of a pull will be accepted with no penalty as long as there is ample time to report the cancellation in the newsletter with the same deadlines as for sanctioning a pull. If these deadlines are not met, the organizer shall (at their own expense) send out postcards to all members to notify them of the cancellation. If this is not one, an organizer may be subject to loss of sanctioning fees. There will be no provisions for "Rain Dates". I have read and understand the above rules regarding sanctioning.
