Pulling Power Editors Note

From the President Robbie Reed

As our pull season is off and running I want to take a minute and remind all handlers and organizers about submitting checks to the IWPA. Handlers, if you are allowed to write checks for your entry fees please write them out to the Organizer themselves NOT the IWPA. Or better yet pay cash, which ever the organizer prefers. Organizers, submit the fees for your pull to the Sanctioning Director in only ONE CHECK or ONE MONEY ORDER. DO NOT submit more than one check for the fees. Both Sanctioning and the Treasurer have asked this since the beginning of the season and fees are still coming in with more than one check. It is very time consuming and confusing with bookkeeping and records when this happens. We will not continue to accept fees this way. Please help out the Sanctioning Director and Treasurer by submitting the fees correctly. If you are paying for your Membership when you attend a pull, that check or money order may be made out to the IWPA. In the memo portion of the check please write "MEMBERSHIP FEES" which will help out tremendously. The organizer is responsible then to mail the membership out to the Membership Chair.

I also want to remind everyone that there are many positions in the IWPA that are voluntary positions. Time is precious as that is the most precious gift of all. It becomes very frustrating when people don't do their part to help out so please be mindful to others and make every effort to help out where and when you can. This can happen in many ways; like I earlier reminded everyone in writing only one check as well as helping out organizers with set up and tear down for dog pulls. Everyone benefits from this but unfortunately, it is all too often that organizers are left to do all the hard work. Your help for just a couple of minutes goes a long way, trust me!

Thanks to everyone who donates your time and effort in helping this organization grow. Thanks for being great ambassadors for this organization.

Best Regard,
Robbie Reed

From the Championship Chair
Terry Reed

Congratulations to Todd Sheehan of Region 5 for being selected as the Organizer for the 2009-2010 IWPA International Championships.

The event is scheduled for April 23rd – 25th 2010 in Enfield, Connecticut. Keep watching your Newsletter for updates as the season progresses.

A special note to the members of Region 5, I'm sure Todd would appreciate anything you could do to help him out. Putting on a Championship is a big undertaking and it makes it easier if several people pitch in.

Congratulations again Todd. See you all in Connecticut.

Helpful Travel Tips Microchips and Tattoos

While a well-fitting collar with ID tag is essential for all dogs, they can and often do come off if snagged on a bush, fence or other obstacle a lost dog may encounter. For this reason, microchips and tattoos offer added security. Microchipping is performed in your vet's office and involves a safe, permanent implant, no bigger than a grain of rice, injected between our dog's shoulder blades. The chip carries your contact information and can be read by scanners kept at most animal shelters, rescue organizations and veterinary clinics. Tattoos are also done by your vet and are usually placed on the dog's inner thigh. (Both processes include an ID tag for your dog to wear that lists the contact information for the registering company.

Region 2 Top Percentage Awards for the 2008-09 Season

Last season, George & Sue Ferrari and Bob & Donna Daymude wanted to do something to celebrate IWPA's 25th Silver Anniversary in Region 2 with something challenging and fun.

At the Region 2 Kickoff last year, we made the announcement that there was going to be a Trophy awarded to the dog that had the top averaged combined percentage for the season among the Bully Breeds and the Fuzzy/Non-Bully Breeds. The rule was that they would have to attend and compete in a minimum of 6 wheeled pulls. That would be 3 weekends throughout the year. Region 2 had 4 events scheduled, those being; Region 2 Kickoff in September, Apple Days in October, Sportsman Show in February, and the Spring Thaw Dog Pull in March.

I am proud to say that we had a good group of dogs and people that have qualified for the award. Here are the results for the Top Averaged Combined Percentages:

For Bully Breeds

Sponsored by Bob and Donna Daymude

Cadillac (APBT) – owned by Travis Hall

Combined percentage of 203.96 / Averaged at: 33.99%

For the Fuzzy/Non-Bully Breeds

Sponsored by George and Sue Ferrari

Tenakee (Alaskan Malamute) – owned by Teresa James

Combined percentage of 127.78 / Averaged to 15.97 %

Congratulations to our winners in Region 2.

Awards will be presented at the She says "One More Time" Kickoff September 19 & 20th.

Just A Dog

From time to time people tell me, "Lighten up, it's just a dog," or, "That's a lot of money for just a dog." They don't understand the distance traveled, time spent, or costs involved for "Just a dog." Some of my proudest moments have come about with "Just a dog." Many hours have passed with my only company being "Just a dog," and not once have I felt slighted. Some of my saddest moments were brought about by "Just a dog." In those days of darkness, the gentle touch of "Just a dog" provided comfort and purpose to overcome the day.

If you, too, think it's "Just a dog," you will probably understand phrases like "Just a friend," "Just a sunrise," or "Just a promise." "Just a dog" brings into my life the very essence of friendship, trust, and pure unbridled joy. "Just a dog" brings out the compassion and patience that makes me a better person. Because of "Just a dog" I will rise early, take long walks and look longingly to the future.

For me and folks like me, it's not "Just a dog." It's an embodiment of all the hopes and dreams of the future, the fond memories of the past, and the pure joy of the moment. "Just a dog" brings out what's good in me and diverts my thoughts away from myself and the worries of the day.

I hope that someday people can understand it's not "Just a dog." It's the thing that gives me humanity and keeps me from being "Just a man or woman."

So the next time you hear the phrase "Just a dog," smile, because they "Just Don't Understand."

INTERNATIONAL WEIGHT PULL ASSOCIATION WEIGHT PULL STANDING RULES ON SANCTIONING

In order for your pull to be sanctioned and to count for points.

Any organization who wishes to put on a pull approved by the I.W.P.A. shall require the organizer or any of the officials to have an I.W.P.A. membership and use I.W.P.A. weight pull rules which include having an I.W.P.A. certified and approved judge.

A sanctioning application must be filled out by the organizer and delivered into the hands of the I.W.P.A. sanctioning director no later than the 15th of the month preceding the month in which the event is to take place, provided the event is scheduled between the 15th through the end of any given month. Pulls scheduled from the 1st through the 14th of any month must be received no later than the 15th of the month two months prior to the weight pull event. For example, an event scheduled for December 7th must be received no later than October 15th, an event scheduled for December 28th must be received no later than November 15th. *No exceptions to this rule will be made!!* It is the organizer's responsibility to ascertain if this application has been received by the Sanctioning Director.

Newsletter pull calendar information is taken from the sanctioning application; therefore, ALL questions must be answered. It may be considered false advertising for any organizer to falsify or fail to follow the information provided on the sanctioning request. False advertising will be grounds for placing the organizer on probationary sanctioning status.

The following list of information from your weight pull must be sent to the **Sanctioning Director** with a postmark no later than 5 days after the last day of your pull:

1. Weight Pull finish report
2. Organizer's report
3. Financial report with ALL monies due the IWPA for the \$5.00 per dog fee. For pulls held in Canada \$5.00 are payable in U.S. funds only. (Motion6/07)

4. All regular and provisional membership monies received at your pull with completed membership forms must be sent to the **Membership Director** with a postmark no later than 5 days after the last day of your pull. New members are to be given the membership receipt included in your packet as proof of membership until their card is sent to them.

5. Send **Judge's Reports** to the **Judge Chairperson**

(The penalty for failure to meet the 5 day postmark requirement will result in a fine of not less than \$20.00 and \$5.00 per day for each day after 6 days that the pull results are not postmarked. Failure to pay a fine may result in loss of sanctioning and/or points). *Exception—Organizers of pulls held the last two weeks of the season are required to submit finish reports to the sanctioning director and FAX or OVERNIGHT their finish report, finance report, and organizer report to the statistician within one working day. (motion 5/98)*

Any grievances by an organizer or judge should be in writing, postmarked no later than 72 hours after the end of the weight pull event, and sent to the Sanctioning Director who will present the written grievance(s) to the I.W.P.A. Board of Directors *within two weeks of the receipt of the grievance*, for deliberation.

Sanctioning applications that do not include the sanctioning fees will not be accepted. Exception-When faxing application a copy of the check/money order for sanctioning fees must be faxed with the application. The original application and check/money order for sanctioning fees must be post-marked within one working day of the fax. The original application and payment for sanctioning fees must be received by the sanctioning director no less than one week prior to the event or the sanctioning may be canceled.

Organizers of events which have had sanctioning suspended after the pull will be required to mail a reimbursement to all entrants of the \$5.00 per dog fee. This reimbursement must be mailed within 72 hours of the receipt of written notice by the Sanctioning Director of suspended sanctioning. (Failure to reimburse funds when sanctioning has been suspended may mean loss of future sanctioning of event by the organizer)

The Board of Directors may not make a decision on sanctioning a pull but will make a decision regarding any grievance filed in regard to sanctioning.

If the Sanctioning on a pull is refused or the sanctioning is withdrawn from a pull, the sanctioning director will notify the organizer in writing within 2 days. A phone call or fax is a courtesy but the "in writing" is a requirement.

Cancellations of a pull will be accepted with no penalty as long as there is ample time to report the cancellation in the newsletter with the same deadlines as for sanctioning a pull. If these deadlines are not met, the organizer shall (at their own expense) send out postcards to all members to notify them of the cancellation. If this is not one, an organizer may be subject to loss of sanctioning fees. There will be no provisions for "Rain Dates". I have read and understand the above rules regarding sanctioning.
